Our safe haven defense glass laminate is designed for any business, company, home or location that needs **state-of-the-art glass laminate protection, including Federal and state buildings, Civic Buildings, Schools, Religious institutions, police protection and auto protection.**

DEFENSE PRODUCTS

SMASH RESISTANCE

Smash resistant laminates were once items only available for special circumstances and not frequently used in average home. Safe Haven Defenses smash resistant laminate is a perfect fit, that provides quick and easy installations.

KEVLAR PANELING

Our UpArmored Vehicle Packages are completely custom tailored to you. Whether you are looking for merely burglar/ carjacking protection, or complete bullet resistant packages, we have something for you with our car and truck armor panels.

BULLET RESISTANT

Our Solar Control & Bullet Resistant Security Laminate, available in frost and tint, offers our highest level of protection against the most severe impact threats, such as those from bombs, severe weather, and shootings.

RIOT CONTROL

Our Riot Control Laminate, available in frost and tint, is designed for superior protection from numerous threats, including forced entry, severe weather, blasts, and gun fire.
